

Wednesday	24 April 2024					
Room	Auditorium Hall S1	Theater Hall S2	Chamber Hall S3/1	Chamber Hall S3/2	Hall S4/1	Hall S4/2
13:00	Introduction to ECMO 1	ESICM/ESPNIC joint sessions - Respiratory mechanics at the bedside 1	ECPR for absolute beginners	The perfect ECMO simulation	Pediatric ECMO	Neonatal and pediatric ECMO learning with simulation 1
13:15						
13:30						
13:45						
14:00						
14:15						
14:30						
14:45						
15:00		Coffeebreak				
15:15						
15:30	Introduction to ECMO 2	ESICM/ESPNIC joint sessions - Respiratory mechanics at the bedside 2	ECPR challenges	How to simulate ...?	Updates on pediatric ECMO guidelines	Neonatal and pediatric ECMO learning with simulation 2
15:45						
16:00						
16:15						
16:30						
16:45						
17:00						
17:15						
17:30						
17:45						

Thursday, 25 April 2024

Room	Auditorium Hall S1	Theater Hall S2	Chamber Hall S3	Chamber Hall S3/1	Chamber Hall S3/2	Hall S4/1	Hall S4/2
Capacity	1500	600	300	120	120	190	115
08:15	Next steps in	ECMO in ER, ICU,		Next steps in ECPR	From inside: What		Challenges in pediatric ECMO
08:30	ECMO -	Cathlab & OR		- ECPR	I learned in my		
08:45	Respiratory and	- Cardiac ECMO 1			journey 1		
09:00	cardiac ECMO 1						
09:15							
09:30							
09:45		Coffeebreak					
10:00				Next steps in ECPR	From inside: What		
10:15	Next steps in	ECMO in ER, ICU,		- combined	I learned in my		Infections during ECMO
10:30	ECMO -	Cathlab & OR		respiratory &	journey 2		
10:45	Respiratory and	- Cardiac ECMO 2		cardiac ECMO			
11:00	cardiac ECMO 2						
11:15							
11:30							
11:45			Industry			Industry	
12:00			Symposium -			Symposium -	
12:15			Resusitec			Medtronic	
12:30							
12:45							
13:00						Industry	
13:15						Symposium -	
13:30						Cytosorbents	
13:45	Opening						
14:00	Ceremony						
14:15							
14:30	What affects us all						
14:45	(sustainability,						
15:00	health care policy						
15:15	& economics)						
15:30							
15:45		Coffeebreak					
16:00							
16:15	Adult Cardiac -	Adult Respiratory -	Pediatric ECMO -			What's new in the	
16:30	state of the art in	ARDS - ECMO/	infection and			field of nursing	
16:45	acute HF -	ECCO2R - joint	septic shock - joint			and perfusion ?	
17:00	joint session	session with	session with				
17:15	with session	ESICM	ESPNIC				
17:30	with Acute						
17:45	CV						
18:00	Care Association

14:00	Inflammation and	Post-Cardiotomy	Pediatric ECMO -	Pediatric from	Technology and	
14:15	coagulation in	ECLS: A call for	mission impossible	ECMO to VAD	innovation -	
14:30	ECMO	action to improve			simulation and	
14:45		in-hospital			data integration	
15:00		outcome/ How				
15:15		can the post-				
15:30		cardiotomy ECMO				
15:45		results improve? -				
16:00						Moderated
16:15						Posters and Coffee
16:30						Break
16:45						
17:00	Imaging and	Unorthodox	Pediatric ECMO -	Neonatal and	Nursing, perfusion	
17:15	monitoring in	indications	filling the gaps of	pediatric ECMO -	and AHP - case	
17:30	ECMO		ECPRv	research	studies	
17:45						
18:00						
18:15						
18:30						

Saturday, 27 April 2024

Room	Auditorium Hall S1	Theater Hall S2	Chamber Hall S3/1	Chamber Hall S3/2	Hall S4/2
07:30				Breakfast	Breakfast
07:45				Symposium - Chinabridge	Symposium - The Simulator
08:00					
08:15					
08:30	Bridge to lung transplant - joint session with ISHLT	Mobilisation and awake ECMO	Neonatal ECMO: Nuts and bolts	Technology and innovation - joint session with ESAO	ECMO networks and costs
08:45					
09:00					
09:15					
09:30					
09:45					
10:00		Coffeebreak			
10:15					
10:30	Bridge to long-term MCS/ HTx - joint session with ISHLT -	infectious complications in ECMO - joint session with ESCMID	Transport - joint session with ESPNIC	Technology and innovation	Perfusion - organ perfusion and donation - joint session with ESOT/ISHLT
10:45					
11:00					
11:15					
11:30					
11:45					
12:00					
12:15		Organizing ECMO care in a changing world			
12:30					
12:45					
13:00					
13:15					
13:30		Closing ceremony and congress			
13:45					
14:00
